## ADDITIONAL ITEMS RELATED TO THE MAJOR

\*Most photography majors wish to double major. Because of that, we push many of the classes into the first four semesters and save the general education classes for later in your FHU career.

\*FHU Photography currently makes trips to Costa Rica, New York, New Orleans, and Philadelphia.

\* If you are double majoring, and your second degree is something other than a BA degree (i.e. BBA, BS), you will need to complete 150 hours.

**The following guidelines are important. Failure to follow these guidelines may delay graduation.**

1. Plan schedules carefully. Plan to fulfill prerequisites for future courses.
2. Do not alter the sequence of courses without consulting with your academic adviser as not all classes are offered every semester.
3. Before the enrollment period, check to make sure holds will not prevent you from registering.
4. Register for classes early during the registration period to secure classes.

**The Four-Year Degree Plan is a suggested plan of study. This plan does not replace the *Undergraduate Catalog*. The *Undergraduate Catalog* provides the official listing of program requirements.**
