Immense Crowd Witnesses Unusual Program at F. H. C.

Old Fiddler's Contest And Fashion Show Featured

On Monday evening, Dec. 6, one of the largest crowds ever seen in Chapel Hall of F. H. C. witnessed a splendid presentation of a program which proved equally interesting to old and young.

Old Fiddler's Contest

The feature attraction of the evening was the Old Fiddler's contest in which there were ten entries. The prize winners in this were 1st prize, \$10.00—Mr. Johnson of Regan, Tenn.; 2nd prize, \$5.00—Mr. Redman of Montezuma; 3rd prize, \$2.00—Mr. Chandler of Sardis.

In the banjo contest, Mr. Heath Regan received first prize of \$5.00 and Mr. Johnson also of Regan the second prize of \$3.00.

Mr. Chandler of Sardis took the 1st prize of \$5.00 in the string and contest, Mr. Johnson of Regan, second prize, \$2.00 and Mr. Brooks of Bemis, third prize, \$1.00.

Such tunes as "Turkey In the Straw", "Mollie Hair", "Casey Jones", "Leather Britches" and "Clear the Track" brought back memories to the older folks of the days when youthful feet tripped to such words as "Swing your partners" and "do se do."

Beautiful Gowns Featured in Fashion Show

An especially beautiful part of the program was the fashion show given by the ladies ready to wear tops of town in which there was brilliant display of new spring styles.

The first models appearing were those featuring street costumes. The approach of young ladies from each shop were heralded by little pages. Gibson's was represented by little Miss Mildred Fields as page and Misses Helen Boswell and Martha Rodgers, Models.

Little Miss Jeannette Oliver as the page for Misses Ila Grounds, Elizabeth Smith and Elizabeth Polgrave who were models from McCallum's.

Misses Lorene Spain, Mildred Mullins and Lorraine Tillman were models for Mrs. Reid with little Miss Doris Hardeman page. Models for Bingham's were Misses Lois Hall and Elizabeth Edmondson whose page was little Miss Bonnie Tarpley.

The second showing of the gowns featured afternoon frocks while the third promenade displayed the evening gowns.

A special showing of childrens clothes was made with the little Misses Joy McKinney and Sue Nell as models from Mrs. Heid's; and Martha Katherine Robbins and Elmira McCallum from McCallum.

"Peppy Choruses"

Two choruses of pretty girls, taken from the college students and the other made up of town girls rendered some of the most entertaining numbers on the program.

The college chorus in dainty costumes made, gave a delightful

interpretation of "Baby Face" and "Me Too" in song and pantomime.

The members of this chorus were Misses Lorene Spain, Helen Boswell, Martha Rodgers, Eleanor Moody, Ila and Beulah Grounds, Owen Jones and Johnnie Sanders.

The town chorus composed of Misses Ouita Thompson, Nelle and Kate Ledbetter, Osa Smith, Ava Rodgers, Cornelia Johnson, Mildred Mullins and Jenny Roark dressed in pretty costumes featured two lively songs: "I Wonder What's Become of Joe?" and "I'm Looking At the World Thru' Rose Colored Glasses."

Mr. Harwell Sings

One of the most enjoyable numbers of the entire evening was the vocal solo by Edwin Harwell. Mr. Harwell attired in Spanish costume gave an excellent rendition of "Valencia."

Santa Claus On the Scene

Old Santa Claus was there on the job too, although as yet a little early for his appearance, he was persuaded to lend his "presence" now, (even though his "presents" aren't quite ready) by the B. M. Terry Variety Store.

"Pressed While You Wait"

Wilbur Weimar had not lost his clothes as might have been surmised at first glimpse of him partially covered by a barrel, but was merely advertising the slogan of The Peoples Cyeeners & Dyers "Pressed While-U-Wait".

Sugg's Villiage Tootster's Music

A local six piece orchestra furnished music for the choruses at intervals during the evening, adding much to the program.

Mr. Suggs Responsible

The credit for the management of the entire affair goes to Joe T. Suggs, not only for the choruses trained under his direction but such means of advertisement of the program which brought such an immense crowd. His untiring efforts and patience are responsible for the success of the entire production.

SPECIAL PROGRAM IN BIBLE SOCIETY

It is not at every weekly program that the doors of the Bible society of Freed-Hardeman College are thrown open to visitors and the public, but on the evening of Thanksgiving day many of the students as well as town's people responded to the invitation to an interesting program. With but few exceptions, there has been a religious subject discussed at every meeting of this society since its organization. At this meeting there was a debate of special interest arranged between Brethren Woody and Hope, members of the society.

All who were present upon this occasion seemed to enjoy the program very much, and it is expected that similar arrangements will be made throughout the year.

F. H. C. WINS FIRST GAME OF SEAS- ON; LOSES SEC- OND TO LAMBUTH

The basketball season opened Dec. 4th for Freed-Hardeman very successfully when Bethel Springs High School was defeated 32 to 29. It was a hard fast game, and a cleaner one has never been witnessed by the Henderson fans. F. H. C. were gracious victors and Bethel Springs received the defeat like men.

The following line up was used:

Bethel Springs (29) F. H. C. (32)

Dillan _____ F _____ Hopper

Cobb _____ F _____ O'Sullivan

Kiser _____ C _____ Carmen

Miller _____ G _____ Hardin

G _____ Colvett

Sub. Leeper & Kid

It was a game of spectacular plays, and yet no one man fought for individual honors. Not a single criticism, but many compliments, were paid to both teams and to referee John Brown of Henderson.

Lambuth Game

Yea Team! Yea Team! Fight 'em! Fight 'em! Fight 'em.

That's just what F. H. C. did Saturday night, December 11, when Lambuth College, of Jackson, Tenn., was met in the Community House.

It was an exciting game and a real test of brawn and endurance, and not exactly the kind of a game that F. H. C. boys want to play—and not the kind that real athletes and sportsmen encourage. Many fouls were made. Two men from Lambuth were disqualified on this account, and one F. H. C. man. Yet much commendation of square and upright dealing of Referee Raymond Davis.

This is the line up:

Lambuth (28) F. H. C. (23)

F _____ Hopper

F _____ Kid

C _____ Carmen

G _____ Hardin

G _____ Colvet

Sub. O'Sullivan

and Leeper.

F. H. C. is proud of the way its played acquitted themselves like men.

"When the Great Scorer comes, He won't mark whether you've won or lost the game, but how you've played it."

Prof. Hardeman On Radio Program

Prof. N. B. Hardeman spent Thanksgiving in Nashville where he took part in the initial program of the new broadcasting station of The Life & Casualty Insurance Co. Prof. Hardeman prayed at the midnight hour the first prayer ever breathed from this station. Other splendid numbers completed a fine program.

"ORGANIZATION OF ALUMNI A BOOST FOR F. H. COLLEGE"

Fifteen for the Class of '26! In the organization of an Alumni Association it has shown its loyalty to the old Alma Mater and indelibly stamped its name in the history of the College! We appreciate your interest shown by keeping touch with us and yourselves, and we feel it is inspired by a feeling of love and devotion to the institution.

We find great pleasure in reading extracts in the Sky Rocket each month of the success of those who have "fought the good fight and finished their course;" your success is a star in the crown of your alma mater, as well as an inspiration to those who are yet in the midst of difficulties and problems.

Some of you are teaching, some are continuing your college work and others are filling positions gained by virtue of your preparation here in F. H. C. Such are your rewards, let us hope that we may as well be able to conquer our problems and cope with the difficulties of life as you are doing.

We are glad to have in our columns every month's news of you, because we greatly appreciate the step you have taken for the good of the school. We hope you'll continue the work you've begun and add more to your glory by speaking in every hand a good word for us.

There can be no greater impetus for the school than the boost of its present and former students and their dispersion to various parts of our land should be the best means of advertising possible. The old adage "It pays to advertise" that has been proven over and over again is no less true in this case.

Alumni and Former students we can truly say that the work of this year so far has been exceedingly fine, proving the prediction made that this will be the greatest year in the history of Freed-Hardeman College. Everyone in direct connection with affairs here, is elated over the prospects, not only of the splendid student body who are loyal and interested in the growth and improvement, but also the exceptional interest on the part of outsiders which is being manifested.

An enthusiastic meeting of the Board of Trustees and interested friends recently held, outlined an extensive program whereby even greater work is to be accomplished. F. H. C. is on the royal road to bigger and better things, which always reverts to the old proverb, "You can't keep a good thing down!"

Let's Boost Our Alma Mater!

Popular Student Called Home

Both students and faculty deeply regret the departure of Miss Constance Smith for her home in Chicago, where she was called to nurse her mother. "Connie" was one of the sweetest characters and finest students in F. H. C. and her absence will be keenly felt by all. We hope that she will be permitted at an early date to return and assume her work.

FACULTY MEMBER'S CON- TINUED ILLNESS FORCES ABSENCE TILL AFTER HOL- IDAYS.

Friends of Prof. L. L. Brigance regret to know that his continued illness will force him to be absent from his classes until after Christmas. He is greatly missed by all the students and faculty and it is hoped he will soon be on the road to recovery, and able to resume his work.

CHRISTMAS DAY

Christmas Day is observed in America, as well as in other countries, on the 25th of December. The time when the festival on this date was first observed is not known with certainty but it is spoken of on the beginning of the thirteenth century. We do not know that this is the day on which Christ was born because the Bible does not tell us. One reason for not fully accepting this theory is because the day comes in the rainy season of Judea when the shepherds would not likely have been in the fields with their flocks. It does not seem possible to arrive at any definite conclusion as to what day Christ was born, but the 25th of December has been agreed upon by the world.

All civilized countries celebrate Christmas in some manner. In none other is it more joyfully welcomed than in England. The English in time past, appointed a Lord of Misrule to superintend the revels. The favorite past-times were music, dancing, blind-man's-buff and other such sports. Because of so many games the people were criticized by the religious men of the time. They accused the people of having too many joyful events and of not thinking of the more serious and sacred things for which Christmas stands.

In the United States as in England we celebrate Christmas by games and feasting. Christmas week is a great homecoming week, when many hearts are made glad.

Another custom we have is that of giving gifts. Many people give because they like to give and to make people happy. This is a good custom, if carried out rightly is a benefit to all.

In the schools of America there are many Christmas exercises in which songs and poems about the Christ are given. Even if the 25th of December is not the day on which Christ was born, the songs and poems tell of his birth and the sentiment is very good.

Saint Nicholas or Santa Claus, as he is called, is the patron saint of Christmas. All children love him because he brings them many gifts on Christmas. They are told that if they are good Santa will visit them but if bad he will not, unless to bring them something like a bundle of switches. Santa Claus is a Dutch name. In Holland the children put their little wooden shoes by the fireplace instead of hanging up their stockings as do American children. The German children receive a gold coin in their shoes each Christmas. Many fascinat-

ing stories have been written for children about Christmas and Santa Claus.

The Christmas festival has been the inspiration of many poets, orators, and artists. Some of the great productions of the world have been written or painted about Christmas. Nothing pleases children and adults too, more than hearing the familiar poem, beginning! "Twas the night before Christmas and all through the House."

OAKLAND HOME GIRLS ENTERTAIN WITH A THANKSGIVING PARTY

Wednesday evening Nov. 24, the girls of Oakland Home delightfully entertained with an enjoyable party in celebration of Thanksgiving season.

At 7 o'clock the boys arrived in response to the invitations and were received in the lobby by the hostesses. Partners were found by musical numbers after which the party descended to the basement for the main entertainment of the evening. This, the decorating committee had converted into a regular carnival ground, by use of yellow and white crepe paper, and autumn leaves.

Miss Lorene Spain won a "useful" powder puff for being the most talkative girl. Miss Grace Beesley and Gilbert Shaffer were voted the best appearing couple by the judges and were presented lolly pops. Much amusement was created by the attempts of Miss Elizabeth Edmondson and Cary Stovall to feed each other corn flakes. In a feather blowing contest Paul Guin and Ila Grounds won toy ballons. Wilbur Albright proved the fastest man in a paper race while Albert Holland proved successful in a peanut contest. One of the most unique diversions of the evening was the cat story told by Miss Constance Smith accompanied by the various "suggestive" parts of poor kitty which were passed from hand to hand under a sheet.

Some of the guests innocently trying to thread a needle with one eye evidently had some "struggle" as they came back with a black eye.

Throughout the evening music was furnished by the Victrola and delicious punch was dispensed by Miss Nannie B. Conley.

An amusing way of getting partners for the refreshment hour was guessing the identity of the girls by their feet. Delicious Neapolitan ice cream and wafers were served by Misses Constance Smith, Verna Cox and Bertha Hill.

The success of the entertainment was due to the clever planning of Miss Rubye Caldwell. The attractive decorations were supervised by Miss Grace Beesley. To Miss Mary Gresham and Mrs. Jones goes the credit for the refreshments and to Miss Lula Allen for the management of the finances. Miss Ann Douglas Moultrie was chairman of the invitation committee.

The party was a splendid success offering a fine opportunity for the better acquaintance of the students and a hearty enjoyment of a social good time.

IF GOD FORGOT

If God forgot the world;
Forgot for just one day—
Forgot to send the sunshine,
And change the night to day;
Forgot to make the flowers grow;
Forgot the birds and bees;
Forgot to send the sweetness
Of the south wind in the trees;
Forgot to give us friendships;
Forgot to send us rain;
Forgot to give the children play;
Forgot to soften pain;
What would happen to the world and us?
Would we still be gay?
If God should forget—
Forgot for just one day?

MISS BOSWELL HOSTESS TO CALLIOPE CLUB

On Monday evening, Nov. 29, the Calliope Club was delightfully entertained in the dining room of Oakland Home by Miss Helen Boswell.

A short business session was presided over by Miss Mary Nelle Hardeman in which the scrap book of the club and other matters were discussed. Each member answered the roll call with a quotation.

A report of Rose MacCaulay's new satire "Crewe Train" was then given very interestingly by the hostess after which a study of the characters, structure and plot of the story was entered into by all the members.

At the conclusion of the discussion Misses Nelle Ledbetter and Ila Grounds attired as Puritan maids served a two course plate luncheon consisting of chicken a la king, crystallized apple, coffee and fruit cake.

The table was artistically decorated with the Thanksgiving scheme. Miniature turkeys were "hitched" to the nut "carts" and also adorned the place cards. The design of the napkins added further to the scheme with autumn leaves.

The centerpiece of the table was formed by a handsome lighted candelabra and on either side were vases of chrysanthemums.

The club was glad in this occasion to welcome a new member,

Price Hardin. The next meeting will be held in the Oakland Home with Caster Williams as host.

MY COMFORT

By Howard Haven.
